Independent auditors' report on review of condensed consolidated interim financial information

The Board of Directors Wethaq Takaful Insurance Company K.S.C. (Closed) State of Kuwait

Introduction

We have reviewed the accompanying condensed consolidated statement of financial position of Wethaq Takaful Insurance Company K.S.C. (Closed) (the "Company") and its subsidiary (together "the Group") as at 31 March 2012, the condensed consolidated statements of income, comprehensive income, changes in equity and cash flows for the three month period then ended ("the condensed consolidated interim financial information"). Management is responsible for the preparation and presentation of this condensed consolidated interim financial information in accordance with International Financial Reporting Standards, IAS 34 Interim Financial Reporting. Our responsibility is to express a conclusion on this condensed consolidated interim financial information based on our review.

Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2410 Review of Interim Financial Information Performed by the Independent Auditor of the Entity. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated interim financial information as at 31 March 2012 is not prepared, in all material respects, in accordance with IAS 34 Interim Financial Reporting.

Other matter

The consolidated financial statements of the Group as at and for the year ended 31 December 2011 and as at and for the period ended 31 March 2011 were audited and reviewed by other auditors who expressed a qualified audit opinion and conclusion, respectively, on those financial statements due to scope limitation in audit and review of the Company's subsidiary.

Report on review of other legal and regulatory requirements

Furthermore, based on our review, the condensed consolidated interim financial information is in agreement with the accounting records. We further report that nothing has come to our attention indicating any contravention during the three month period ended 31 March 2012, of the Kuwait Commercial Companies Law of 1960, as amended, or of the Company's Memorandum and Articles of Association, that might have had material effect on the Company's activities or on its consolidated financial position.
